1) The P & D which is self explanatory for the Council

2) The financial condition of the Dist is not satisfactory. Its normal expenditure is more than its normal income. The closing balance for the current year is Rs 211. There are heavy arrears outstanding.

3) The rate of interest that is usually charged to the local Bodies is 6 1/2% p.a. As the amount of loan is only Rs 600, it will be possible for the Dist Council to discharge the loan in a short period, say in about six years.

4) The Financial Secretary may be consulted in regard to the grant of the loan to the Dist Council in the first instance.

This is an inevitable item of payment.

The loan of Rs 600 recommended by the D.C. may be given to the Dist Council, subject to repayment in six years.

OFFICE OF THE DEPUTY COMMISSIONER,
MYSORE DISTRICT,

Dated, Mysore, the 12th August '42.

OFFICIAL MEMORANDUM

Budget Estimates of Heggadadevanakote Minor Municipal Council
for 1942-43

The Budget Estimates have not been prepared in the light of the actuals of previous years. The opening balance is estimated at Rs.800/-. But the actual closing balance for the year 1941-42, as reported by the president of the Municipality is Rs 88-14-7. The opening balance is therefore, taken as Rs.89/-

RECEIPTS:- Under A2-Taxes on Buildings and lands, a sum of Rs.800/- has been provided. Government in their Order No. 5015-16/12 52-41-12 dated the 12th December 1941 have sanctioned the appointment of ~~x~~ the Amildar of the Heggadadevanakote Taluk as the Assessing Officer for revising the Assessment on lands and buildings in this Municipality. The provision of Rs 800/- retained in the hope of realising this amount after the revision of assessment. Necessary action should be taken to revise the taxes as already observed ~~at~~ in the Inspection Notes of last year.

A sum of Rs 250/- has been provided under "D Grants". This is deleted as it is not a sanctioned item. The other items of receipts are allowed to stand.

EXPENDITURE:- The total expenditure under all heads as estimated by the Council is Rs.2,299. But the total actually works out to Rs.4,140/-. This figure is therefore, taken as expenditure. The following modifications are considered necessary:-

The financial condition of the Municipality is not at all satisfactory. The normal expenditure is more than the normal income. No work of improvement can be undertaken unless the heavy arrears outstanding recovery are realised. The revision of taxes results in a substantial increase of revenue. This work should be taken up by the Amildar without further loss of
